

CIRCULAR ADMIN No 11/AY11-12

November 10, 2011

Dear Parents/Guardians,

This is to inform you that Sagesse High School is planning to offer a “Study Hall” service for students, in Grades 4 to 9 (except Gr.9 LP), everyday of the week from 3:15 p.m. until 5:00 p.m.

This service aims at providing students with a chance to study and do their homework at school. It involves group settings, of at least seven students, supervised by qualified teachers who will help students understand and do their homework in the following subjects:

- Math
- Sciences
- English
- Arabic

The cost is \$250 per month.

It is worth mentioning that while SHS is offering this service to its students it is by no means a guarantee that enrolled students will pass or overcome their weaknesses especially if they are not serious, refuse to cooperate and do not show commitment to their work and studying.

If you are interested in enrolling your daughter/son in the Study Hall, please fill in the form (next page) and return it to the concerned head of division before **Tuesday, November 15, 2011.**

Best regards,

Administration
